Fundación
FEDERICO
FLIEDNER

The **Federico Fliedner Foundation**, with Protestant origins and 150 years of history, serves society through education, training and service to the community.

EDUCATION

Our bilingual schools (Spanish and English, along with German as a second foreign language, starting in elementary school) are committed to the personal development of the students from preschool to active integration into society, through quality education based on values, excellence, tolerance, responsibility and community service.

" *Education for life* "

Preschool (0 to 6 years), elementary, secondary and high school, founded in 1897.

Preschool (0 to 6 years), elementary and secondary school, founded in 1963.

TRAINING+ OUTREACH

The **SEUT Faculty of Theology** provides higher theological education that includes:

- **Degree in Theology**: with recognition of civil effects.
- **Theological Workshop**: A theological training center and outreach for adults.
- **Center for Science and Faith**: A center for the promotion of dialogue between science and christian faith.
